	CONTINUOUS ACTIVITIES			BUILDING 19			PATIO AREA							

1:00 PM Barry Silver is the President of the Palm Beach County Environmental Coalition. **He will speak on Dr. Sagan's role in international awareness of global warming.**

2:00 PM D.J. Grothe is Vice President and Director of Outreach Programs for the Center for Inquiry. **He will serve as emcee for the afternoon and speak about Sagan's contributions to skepticism.**

2:30 PM Russell Romanella is the director of the International Space Station and Spacecraft Processing Directorate at NASA's John F. Kennedy Space Center. **He will speak on his work with NASA and the Space Station.**

4:00 PM Phil Plait, the creator of the Bad Astronomy blog, is an astronomer, lecturer, and author. **He will speak on "Asteroid Impact!"**

5:30 PM David Morrison, who is not able to be here in person, is the senior scientist at the NASA Astrobiology Institute, NASA Ames Research Center, Moffett Field, CA. He was a student of Carl Sagan's and **will speak on his recollections of his mentor and the multidisciplinary field of astrobiology.**

7:00 PM James Randi has an international reputation as a magician and escape artist, but today he is best known as the world's most tireless investigator and demystifier of paranormal and pseudoscientific claims. For many decades he was a personal friend of Carl Sagan. **He will speak on "A Close Personal Friend".**

WEATHER PERMITTING, THE OBSERVATORY AND OTHER TELESCOPES WILL BE AVAILABLE FOR STARGAZING.
